WEEKLY REPORT CORRECTIONS

The following corrections should be made in the 1963 Weekly Report:

Page 1490, Column 2 -- The registration of John C. Satterfield for the Mississippi State Sovereignty Commission should be omitted. This group is a member of the Coordinating Committee for Fundamental American Freedoms, listed on the same page, for which Satterfield was a registrant. Satterfield, former President of the American Bar Association, has appeared as counsel before the Supreme Court for Gov. Ross R. Barnett in the dispute over desegregation of the University of Mississippi.

Page 1687 -- In chart, the correct new population figure for the 6th District should read 430,943 (not 403,943). In column 1, paragraph 2, the vote by which the redistricting bill passed the Michigan House was 58-47 (not 21-10).

Page 2000, Col. 1 -- Third employer and registrant should read:

EMPLOYER AND REGISTRANT -- INLAND STEEL CO., Chicago, Ill.

Legislative Interest -- "Establishment of Indiana Dunes National Lakeshore" etc.

Page 2160, Col. 1 -- In paragraph, correct the vote breakdown on the Ostertag motion and add Rep. Burke's name to the six Democratic dissenters.

Page 2226, Col. 1 -- Under Around the Capitol, middle paragraph, line 3 should say the LBJ Co. had assets (not profits) of $3.9 million.

Page 10, Col. 1 -- In Vocational Education paragraph, the figure in line 13 should be $921 million (not $1,221,000,000). Line 16 should read: excluded the District of Columbia (not included).

However, the rule is that each Senator may speak on each subject twice during a legislative day, therefore allowing two speeches on every amendment and motion. For this reason, it is virtually impossible to end a filibuster by applying the two-speech rule.
